

# Efficiency you can count on

**GENERALCLEAN™**

Effortless solutions for light-to-medium duty cleaning

## Streamlined cleanliness, amplified results

Leave no debris behind - from wiping surfaces to mopping up spills. WypAll® GeneralClean™ range – is designed to simplify your everyday cleaning needs. The range ensures a pristine work environment with every swipe.

**Efficient absorption:**  
Highly absorbent materials rapidly soak up liquids and spills with ease, ensuring prompt and effective cleanup.

**Chemical compatibility<sup>1</sup>:**  
X60 is suited for diverse environments, and is compatible with a range of chemical solvents, helping prevent any unwanted reactions during cleanup.

**Reduced risk of cross-contamination<sup>2</sup>:**  
Single-sheet dispensing so users only touch the sheet they take to help reduce the risk of cross-contamination.

**Durability:**  
Designed with Hydroknit® technology, these wipes are dependable and withstand rigorous use without compromising strength or integrity. They are gentle on multiple surfaces, from delicate glass to tough machinery.

**Single-sheet dispensing:**  
Single-sheet dispensing of clean & consistent wipe which is designed to reduce waste.

**Multiple use<sup>3</sup>:**  
X60 allows reuse up to 5 times to help reduce waste.

### Not all commonly used cleaning solutions are best option for every situation

- Many paper towels are not strong enough to hold up to general cleaning tasks, so we tend to use more.
- Rags can leave lint and paper remains behind.
- Laundried towels & rags can contain contaminants.

### Discover the capabilities: Tasks GeneralClean™ range can perform

- Spray-and-Wipe Ease:**  
Ideal for cleaning glass, mirrors, desks, and more.
- Regular High Touch Surface Cleaning:**  
Perfect for wiping counters, tables, and all surfaces.
- Effortless Spill Cleanup:**  
Quickly absorbs spills, dirt, and dust for easy cleanup.

## Know how WypAll® GeneralClean™ fits your industry needs

**Healthcare:**

- Ensure not only your visitors' safety but also that of the staff by breaking the risk of cross-contamination with general cleaning of surfaces.
- Maintaining clean surfaces in waiting rooms, restrooms, and hallway, high touch surface areas, and walls.
- General cleaning of dust, particles, liquids, oils, and solid waste on a wide range of surfaces.

**Food Service:**

- Helps clean dust, and dirt in lobbies, restaurants, and banquet halls.
- Designed to enhance cleanliness without compromising efficiency while cleaning oil & food spills in dining areas.
- Designed for use in prep areas, on equipment, tabletops, and floors.
- Final finishing of the dish to serve the diner. Routine cleaning of surfaces and equipment.

**Manufacturing:**

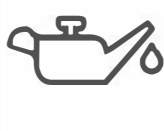

- General Upkeep: Remove dust, particles, liquids, and other waste from common areas.
- Surface Cleaning: Spray-and-wipe tasks, including wiping counters, desktops, glass surfaces, and common areas.
- General Maintenance: Clean office furniture, desks, glass surfaces, handrails, and lift buttons.
- Spill Cleanup: Promptly address spills to prevent slips and falls.

**Food Processing:**

- Absorbs spills and residues on production lines, maintaining a clean production area.
- Reduces risk of cross-contamination<sup>4</sup> in food prep areas with single-sheet dispensing.
- Designed for wet wiping with your disinfectant or sanitiser for effective cleaning.
- Ensures food prep surfaces are clean and safe for use.
