

# Scott® Slimline Touchless Counter Mount Skin Care Dispenser, 1.5 Liter

- Made of ABS plastic with chrome-plated dispensing head
- Dispenses a one-shot volume of skin cleanser when activated by placing hand under unit
- SMART SHOT DISPENSING TECHNOLOGY\* delivers a perfect foam shot every time with no messy wasteful drips
- Accommodates a sealed 1.5-liter skin cleanser refill that easily snaps into place
- Each refill includes a tube that runs through the dispensing head so that the skin cleanser never contacts any of the dispensing parts, eliminating build up and corrosion
- Does not require soaking or system purging
- Low skin cleanser warning LED and low battery warning LED
- Powered by 4 D-Cell Batteries (included) or AC Adapter/AC Splitter (not included)
- Battery pack installs into lockable remote retainer with a 36" interconnection cable
- Retainer can be secured either by hardware (included) or double-sided tape (not included)
- One per case
