

Scott® Control™ Centrefeed Toilet Tissue System

Controlled dispensing
for hygiene critical
environments

Designed for hygiene and efficiency

The most hygienic dispenser versus the competition – one wipe clean with no dirt traps¹

High capacity system requiring fewer refills so less chance for cross contamination

Protected, fully enclosed roll with single sheet dispensing for maximum hygiene – only touch the sheet you use

Effective paper dispersal for fewer toilet blockages

+7% bigger sheet size than other centrefeed toilet tissue systems providing added hygiene

The highest capacity centrefeed toilet tissue system with 1,280 sheets per roll – ideal for busy washrooms

Controlled one-sheet dispensing system for increased efficiency and reduced waste

A sustainable choice: Produced from 100% recycled, FSC certified fibre

Perfect for small spaces – protrudes less than 130mm into the cubicle

1. Results of swab test study conducted by MGS Laboratories January 2017.
