

Scott® Essential™ Foam Hand Cleanser System

For hand hygiene in high
frequency environments

Designed for efficiency in busy environments

Foam format delivering twice as many washes per litre than conventional liquid soaps

Gentle on skin – whilst providing thorough hand cleansing

Subtly fragranced foam soap

Hypoallergenic tested

The most hygienic dispenser versus the competition – one wipe clean with no dirt traps¹

High capacity system delivering 2500 shots, requiring fewer refills so less chance for cross contamination

Controlled dispensing for increased efficiency and reduced waste

Quick and easy cassette replacement

Integrated pump – new clean nozzle with each refill ensuring maximum hygiene

A sustainable choice: Fully recyclable cassette. Foam formula rinses off quicker than traditional soap resulting in up to 50% less water usage

1. Results of swab test study conducted by MGS Laboratories January 2017.
