

Electronic Hard Roll Towel System

Hand drying for hygiene
critical environments

UNLOCK THE POTENTIAL OF YOUR WASHROOM ●

KIMBERLY-CLARK PROFESSIONAL ●

Single-use paper towels are a more effective and hygienic way to dry your hands after washing.

Towels are hygienic:

77%↓ Paper towels are critical to proper hand hygiene, as they can remove up to **77% of the bacteria** that remains on hands after washing.¹

Jet air dryers blow water droplets that could contain bacteria from the hands as far as **6.5 feet** and linger in the air for up to **15 minutes**.³

The inner surfaces of a jet air dryer can harbor up to **48 times more bacteria** than found on a toilet seat.²

Jet air dryers can actually increase bacteria by **42% on users' fingers** during the drying process.²

Towels are preferred:

The **World Health Organization** recommends single-use paper towels in its patient safety instructions for health care workers.⁴

90% of people show a preference for paper towels over jet air dryers in the washroom.⁵

1. University of Westminster, "Changes in the number of different types of bacteria on the hands before and after drying using paper towel, continuous cloth roller towel, warm air dryer and jet air dryer" (2010)
2. Eurofins-Inlab study (2012)
3. P.T. Kimmitt & K.F. Redway, "Evaluation of the Potential for Virus Dispersal During Hand Drying: A comparison of Three Methods," Journal of Applied Microbiology 120 (2016)
4. World Health Organization, Global Hand Washing Guidelines
5. ETS Observational Study, ISSA/Interclean Amsterdam (May 2016)

Electronic Hard Roll Towel System

Designed for hygiene and efficiency

Electronic touchless dispensing system to enhance hygiene

305m roll, 1090 sheets = more than twice the average folded system meaning less refills and less chance for cross contamination

Airflex™ Technology for faster absorbency ensuring more hygienic hand drying

99.9% jam-free dispensing for increased efficiency and reduced waste

Easy refill dispenser with stub roll feature for a continuous towel supply and use 100% of the product without waste

Dispense up to 120,000 towels on one set of 4 D-cell alkaline batteries
