A35 Coveralls

ECONOMICAL LIQUID AND PARTICULATE BARRIER PROTECTION

Get reliable protection from particles and liquids with KleenGuard™ A35 Apparel. The microporous film laminate and serged seams provide economical liquid and particulate barrier protection, making it a good choice for pressure washing, handling liquids or performing general manufacturing and maintenance tasks.

KleenGuard™ Protective Clothing is designed with human-centric engineering that enables rather than inhibits – allowing for maximum productivity and safety.

**KleenGuard™ Protective Clothing –
Perform with Distinction.**
