

G80 Nitrile Chemical Resistant Gauntlets

PROTECTION AGAINST OILS, FUELS, SOLVENTS, GREASE, ACIDS AND CAUSTICS

For workers who refuse to choose between protection and productivity, KleenGuard™ G80 Nitrile Chemical Resistant Gauntlets provide uncompromising barrier protection against select chemical immersion (solvents, fuels, greases). Give your workers the confidence to get the job done without compromising productivity or safety.

KleenGuard™ Hand Protection is designed with human-centric engineering that enables rather than inhibits — allowing for maximum productivity and safety.

KleenGuard™ Hand Protection — Perform with Distinction.

G80

NITRILE CHEMICAL GAUNTLETS

- Flexibility
- Tactile sensitivity
- Anti-Slip

FEATURES:

- 460 mm long cuff length for protection to the elbow finished with a straight cuff
