Scott® Control™ Rolled Hand Towels

Designed for maximum hygiene, efficiency and sustainability. Ideal for busy washrooms

Gentle towels designed for frequent use in hygiene critical environments – maintaining good hand hygiene compliance without irritating skin

Kleenex® and Scott® are South Africa's favourite hand towels, with double the preference of the next best towel¹

Compatible with the most hygienic, one-wipe-clean Aquarius™ rolled hand towel dispenser (7375) with no dirt traps²

High capacity, controlled one-sheet dispensing system for increased efficiency and reduced waste

Easy refill dispenser with stub roll feature for a continuous rolled towel supply

A sustainable choice: Produced from 100% recycled fibre and packaging includes 30% recycled material

1. Results of independent preference tests of 200 users conducted in South Africa March 2022, featuring selected equivalent rolled hand towels codes from majority market share manufacturers as listed in Precision Corp. 2021 market share data 2. Results of swab test study conducted by MGS Laboratories January 2017
