# WypAll® L10 Reach™ Centrefeed Wiper

Helping you drive hygiene standards throughout your food service environment

- Offers single sheet dispensing encouraging efficient use of the cleaning wipes, reducing paper consumption and waste by over 20%<sup>1</sup>
- Designed to help prevent transmission of foodborne bacteria caused by handling of exposed blue rolls during food preparation
- An ideal solution for light duty hygiene wiping in areas such as food preparation and service surfaces
- Blue roll is also designed to be easily detectable in contamination critical environments
- Compatible with the convenient and portable WypAll® Reach™ centrefeed roll dispenser system (6221) using the red dispensing nozzle
- A sustainable choice: Produced from 100% recycled, FSC certified fibre and packaging includes 30% recycled material
